Abstrak

[ABSTRAK

Penelitian ini memiliki fokus kepada kegiatan kerjasama dengan media yang dilakukan di Unit Manajemen Bisnis RS Pertamina Jaya dan memiliki tujuan untuk meningkatkan kesadaran masyarakat akan rumah sakit karena media memiliki jangkauan yang sangat luas. Hubungan dengan media merupakan salah satu program yang dilakukan oleh seorang humas. Tujuan dari penelitian ini adalah untuk mengetahui pelaksanaan dari kerjasama dengan media yang sudah dilakukan untuk meningkatkan kesadaran merek akan RS Pertamina Jaya Tahun 2012. Penelitian ini merupakan penelitian kualitatif deskriptif dengan perolehan data yang didapat dari hasil wawancara mendalam, observasi dan telaah dokumen. Dari penelitian didapatkan hasil bahwa pelaksanaan kerjasama dengan media belum dapat dilakukan secara maksimal sehingga upaya peningkatan kesadaran akan rumah sakit lebih banyak dilakukan melalui promosi baik dengan perusahaan atau melalui media promosi. Media memiliki peran penting untuk meningkatkan kesadaran akan suatu merek organisasi dari masyarakat sehingga kegiatan yang berkaitan dengan media harus dibuat perencanaan dengan baik agar dapat mencapai tujuan organisasi.
