, Analisis Situasi

BlackBerry di Indonesia adalah salah satu perusahaan pionir smartphone di Indonesia. BlackBerry Indonesia telah meraih penghargaan Indonesia Customer Satisfaction Award 2012 lalu, dan penghargaan

merek “Top of Mind” di segmen anak muda pada ajang HAI Youth Brand Awards.

Namun, munculnya kompetitor-kompetitor yang kuat dalam bidang smartphone (Samsung dan Apple), BlackBerry tidak lagi menjadi market leader dalam bidang smartphone di Indonesia.

Terlalu sibuk membuat inovasi untuk mengalahkan kompetitor, BlackBerry melupakan dua aspek yaitu customer dan media. Berbagai kelalaian dalam efektivitas media sosialnya dan menjaga hubungan baik dengan komunitasnya dan media menjadi hal yang tak terelakkan lagi.

BlackBerry Indonesia memerlukan langkah customer dan media relations untuk memperbaiki citra perusahaan. Langkah ini dilakukan melalui pengadaan gathering komunitas BlackBerry Indonesia, BlackBerry Open for Discussion dan BlackBerry VIP Media Visit & Access.

Tujuan

Program Gathering, Open Discussion dan Media Visit ini diharapkan dapat membina kembali hubungan baik dengan idan media dengan keterbukaan dan kekeluargaan, sehingga citra BlackBerry Indonesia dapat ditingkatkan kembali.
