Abstrak

Story about the sacrifice of orthodox Muslim woman, Anissa. She grew up in the strong Islamic environment, but She always prosecuted a women emancipation and broke the Islamic tradition. Anissa met Khudori who taught her different world and they fell in love each other, but they had to be separated for some years. Khudori continued his study in one of university in Kairo, Egypt and Anissa tried to continue in Yogyakarta, but was failed by her father and She was married by Samsudin even She did not love him. In fact, Samsudin got married for the second time with different woman. Anissa?s desire to be a different Muslim woman grew up again after She met Khudori. Can their love be united in marriage?
