

Introducing semantics / Nick Riemer

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20375165&lokasi=lokal>

Abstrak

Semantics is the study of meaning in language. This clear and comprehensive textbook is the most up-to-date introduction to the subject available for undergraduate students. It not only equips students with the concepts they need in order to understand the main aspects of semantics, it also introduces the styles of reasoning and argument which characterize the field. It contains more than 200 exercises and discussion questions designed to test and deepen readers' understanding.
