Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20383679&lokasi=lokal>

Abstrak

Economics : principles and policy, teaches the principles of economics, including current economic situations, providing an essential resource for students who want a solid introduction that calls on policy-based information for examples and applications. The business law aspects of business organization are treated only to the extent necessary to understand such matters as the large-size firm or the separation of ownership and control in the large corporation
