Abstrak

About sixty Americans from business, labor, government, agriculture, education, communications and the clerical, legal and military professions engaged in three days of round table discussions, ending with a final report approved in plenary session on the fourth day. That report appears in this volume beginning on page 181.

Basic research amounting to one-tenth of the cost of the Fifteenth Assembly program was paid for by a grant from the Rockefeller Foundation. Other costs are to be met by a grant from the Maurice and Laura Falk Foundation of Pittsburgh.
