Abstrak

[ABSTRAK

Saat ini, nobar merupakan salah satu kegiatan komunitas yang semakin populer di kalangan masyarakat. Hal ini dapat dilihat dari semakin banyak komunitas pendukung klub sepak bola yang bermunculan dan mengadakan kegiatan tersebut. Kegiatan nobar yang biasanya rutin dilakukan setiap minggunya tidak terlepas dari tempat yang mereka gunakan. Sebuah tempat nobar harus memiliki faktor yang menjawab kriteria komunitas terkait penggunaannya sebagai pangkalan nobar. Tulisan ini akan membahas lebih lanjut tentang keterkaitan atau hubungan sebuah komunitas pendukung klub sepak bola dengan tempat nobarnya. Hal ini berkenaan dengan elemen fisik tempat nobar komunitas, aktivitas yang berupa penguasaan tempat nobar dengan identitas komunitas tersebut, serta pemaknaan peserta nobar terhadap komunitasnya dan tempat nobar sebagai pangkalan nobarnya.

ABSTRACT

These a day , nobar has become one of the most popular community activities in society. This fact can be proven by realizing that there are so many supporter communities that appear and hold this activity. Nobar, regularly being held by supporter community every weekend can't be separated with the place they used as a venue. One place should have several factor that answer community criteria about the usage of that place as their nobar basecamp. This paper will be focused more about the connection between football community supporter with their nobar location. This paper is also talk about physical element of nobar's venue, community activity that create and change a neutral place into a place with their identity, and the meaning that member indivually feel towards community and also the place as their nobar basecamp.;
