Abstrak

Skripsi ini membahas kode etik bushid direpresentasikan oleh tokoh Toyotomi Hideyoshi di dalam novel Shinsho Taikki. Dengan menggunakan kode bushid seperti yang dideskripsikan oleh Nitobe Inazo di dalam bukunya "Bushido: The Soul of Japan", penulis mengkaji novel Shinsho Taikki karya Yoshikawa Eiji dengan pendekatan intrinsik, yakni analisis tokoh. Analisis menunjukkan bahwa Hideyoshi memiliki setiap nilai bushid di dalam dirinya sehingga mencerminkan samurai ideal menurut Nitobe. Samurai ideal menurut Nitobe adalah samurai yang memiliki nilai kebenaran, keberanian, kebaikan hati, kesopanan, kesungguhan hati, kesetiaan serta menjunjung tinggi kehormatan dirinya.

This thesis explain how the bushid code is represented by character Toyotomi Hideyoshi in Shinsho Taikki. By using bushid code as described by Nitobe Inazo in his book "Bushido: The Soul of Japan", writer examined Yoshikawa Eiji's Shinsho Taikki with intrinsic approach, the analysis of figure. Analysis shows that Hideyoshi has practiced bushid's precepts that reflects the ideal samurai according to Nitobe. Nitobe's ideal samurai is a samurai who have a sense of justice, indomitable courage, benevolent, polite, veracious and truthful, loyal to his superior and upheld his honor.
