### Abstrak

[<b>ABSTRAK</b><br>

RSP dr. Ario Wirawan Salatiga sangat mendukung Program Jaminan Kesehatan Nasional (JKN) yang telah diluncurkan per tanggal 1 Januari 2014, yang juga merupakan salah satu bentuk tantangan bagi dokter spesialis untuk tetap melakukan pelayanan terbaik dalam rangka melayani kebutuhan dasar kesehatan masyarakat yang layak. Penelitian ini menggunakan pendekatan kualitatif dengan depth interview dan dari hasil wawancara terstruktur terungkap bahwa mayoritas belum merasa puas terhadap pembagian jasa pelayanan dan menginginkan transparansi administrasi keuangan para dokter spesialis, serta mengharapkan peningkatan sarana dan fasilitas yang ada. RSP dr. Ario Wirawan beserta para dokter spesialis sangat mendukung program BPJS
