Abstrak

[ABSTRAK

Tesis ini membahas tentang fungsi edukasi dari museum. Penelitian ini merupakan penelitian kualitatif. Hasil dari penelitian ini mengidentifikasi bahwa sangat sedikit program edukasi untuk pengunjung yang ada di Museum Olahraga Nasional, padahal salah satu tanggungjawab museum adalah pelayanan edukasi terhadap masyarakatnya. Pembahasan dalam penelitian ini berupaya untuk membuat dan merancang suatu program edukasi yang sesuai dengan keadaan dan situasi yang ada di Museum Olahraga Nasional. Bentuk program edukasi Museum Olahraga Nasional perlu menggunakan teori pendidikan. Teori belajar Konstruktif digunakan untuk mengaplikasikan program edukasi di Museum Olahraga Nasional.
