Abstrak

[ABSTRAK

Umumnya, perusahaan yang berasal dari negara China dipersepsikan oleh konsumen sebagai perusahaan yang kurang kreatif dalam pengembangan produkproduknya.

Salah satu usaha untuk mengubah persepsi konsumen tersebut adalah dengan melakukan aliansi lintas negara. Untuk itu, penelitian dilakukan guna mengetahui bagaimana hubungan aliansi lintas negara terhadap sikap konsumen terhadap merek perusahaan yang berasal dari China. Penelitian dilakukan dengan melibatkan 170 responden. Dalam penelitian ini digunakan lima buah variabel, yaitu attitude, brand fit, product fit dan country of origin fit.
