Abstrak

The Renal System at a Glance provides a concise and accessible introduction and revision aid for medical students. Following the familiar, easy-to-use at a Glance format, each topic is presented as a double-page spread with key Facts accompanied by diagrams encapsulating essential knowledge." "The Renal System at a Glance, formerly The Kidney at a Glance, will appeal to all medical students, junior doctors on Foundation Programmes and to those revising for final exams. The book is also suitable for those training in allied health professions, including specialist nurses working on dialysis wards.
