

Katzung & Trevor's pharmacology : examination & board review

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20394734&lokasi=lokal>

Abstrak

Twelfth Edition, this review delivers a clear, concise review of fundamental concepts backed by more than 1,000 review questions and answers. The chapter-based approach facilitates use with course notes or larger texts. Outstanding learning aids include: Short discussion of the major concepts that underlie basic principles or specific drug groups. Explanatory figures and tables. Review questions followed by answers and explanations. Drug trees in drug-oriented chapters that visually organize drug groups. A list of high-yield terms and definitions you need to know. Skill Keeper Questions that prompt you to review previous material to understand links between related topics. A checklist of tasks you should be able to perform upon completion of a chapter. Summary tables that list the important drugs and include key information about their mechanisms of action, effects, clinical uses, pharmacokinetics, drug interactions, and toxicities. Two comprehensive 100-question examinations followed by the correct answers and rationales. Valuable test-taking strategies for improving your test performance.
