

Automated organizations: development and structure of the modern business firm

Oliveira, Nelio, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20396477&lokasi=lokal>

Abstrak

This book attempts to characterize a new organizational form that is now visible in many companies as a substitute of previous forms related to mechanized or mechanistic standards. The book is based on the approach of organizational structure and on Henry Mintzberg's work on organizational configurations. As a matter of fact, it attempts to supplement and update Mintzberg's organizational taxonomy, taking into account changes in the structure and work organization of business firms.
