Abstrak

[This book investigates the inherent 'impossibilities' in the political thought of Adriano Olivetti, and seeks to determine whether the Olivettian ideal lacks true consistency, or if it is, rather, an idealism which does not lose sight of reality. , This book investigates the inherent 'impossibilities' in the political thought of Adriano Olivetti, and seeks to determine whether the Olivettian ideal lacks true consistency, or if it is, rather, an idealism which does not lose sight of reality.]
