A revision of the bestselling guide to finding greater career satisfaction and success through Personality Type. A classic in the genre, DO WHAT YOU ARE has helped hundreds of thousands of people find truly satisfying work. Since the last edition, much has changed in the world of work, including the great recession and the explosion of technology. What hasn't changed is the power and usefulness of Personality Type to help people find greater career success. The fifth edition introduces updated sections and new insights on the modern workforce, technology, Baby Boomers seeking post-work fulfillment, online resources, job listings, and much more. Using workbook exercises and real-life examples to highlight the strengths and pitfalls of all 16 personality types, DO WHAT YOU ARE shows you step-by-step how to utilize your unique strengths to customise your job search, get the most out of your current career, obtain leadership positions, and achieve the best results in the shortest period of time
