

Dancing in the light : essential elements for an inquiry classroom / Marcia Behrenbruch

Behrenbruch, Marcia

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20399845&lokasi=lokal>

Abstrak

This book tells several stories. The first is a teacher's journey to discover a different way of teaching and learning. The second is a summary of the theory used to explain and justify the change in pedagogy to the wider school community. The third are stories from student and teachers who practice inquiry learning. The result is a description of 6 essential elements for a successful inquiry learning environment. Although this research was conducted at a single school, it offers important insights for other schools who are considering change to a more constructivist, sustainable approach to education.
