

Quo vadis NAASP untuk Palestina ? Urgensi program capacity building dan revitalisasi diplomasi Indonesia

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20399890&lokasi=lokal>

Abstrak

Palestine cause is the only remaining problem since Bandung conference in 1955. Indonesia has staunch position towards Palestine by supporting its long way struggle to gain independence status. Aside diplomatic support, Indonesia also gives special attention on Palestine through the new Asian-African strategic partnership (NAASP)...
