Abstrak

This book begins with a historical introduction, which traces the evolution of Roman law from the earliest period of Roman history up to and including Justinian's codification in the sixth century AD. Then follows an exposition of the principal institutions of Roman private law, the body of rules and principles relating to individuals in Roman society and regulating their personal and proprietary relationships. In this part of the book special attention is given to the Roman law of things, which forged the foundations for much of the modern law of property and obligations in European legal systems. Combining a law specialist's informed perspective with a historical and cultural focus.
