

Implementing evidence-based practices in community corrections and addiction treatment

Taxman, Faye S.

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20400224&lokasi=lokal>

Abstrak

This book sets out criteria for identifying practices and programs as evidence. The book's detailed blueprint is based on extensive research into organizational factors (e.g., management buy-in) and external forces (e.g., funding, resources) with the most impact on the adoption of evidence-based practices, and implementation issues ranging from skill building to quality control. With this knowledge, organizations can set realistic, attainable goals and achieve treatment outcomes that reflect the evidence base.
