

Precarious international multicultural education: hegemony, dissent and rising alternatives

Handel Kashope Wright

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20400383&lokasi=lokal>

Abstrak

Representing the precarious moment in Canada, Ireland, Australia, the United States and the United Kingdom, the essays in this collection address these questions and both depict and trouble hegemonic multicultural education and contrast it with its supposed successor regimes.
