

Methods, theories, and empirical applications in the social sciences: festschrift for Peter Schmidt

Samuel Salzborn

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20400418&lokasi=lokal>

Abstrak

The volume addresses major features in empirical social research from methodological and theoretical perspectives. Prominent researchers discuss central problems in empirical social research in a theory-driven way from political science, sociological or social-psychological points of view. These contributions focus on a renewed discussion of foundations together with innovative and open research questions or interdisciplinary research perspectives.
