

Mistake of law: excusing perpetrators of international crimes

Verseveld, Annemieke van

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20400439&lokasi=lokal>

Abstrak

This book investigates when 'mistake of law' should be a reason to exculpate the perpetrator of an international crime. It demonstrates that the issue of 'mistake of law' goes to the heart of individual criminal responsibility and therewith contributes to the development of a more systematic approach toward the structure of international offences.
