

The rise of post-hegemonic regionalism: the case of Latin America

Pía Riggirozzi

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20401135&lokasi=lokal>

Abstrak

This book offers argument about post-neoliberal models of regional governance in non-European contexts. The book critically explores models of transformative regionalism and specific dimensions articulating those models beyond neoliberal consensus-building.
