Abstrak

Skripsi ini menjelaskan mengenai bagaimana meningkatnya peranan Faith Based Community di Amerika. Krisis fiskal yang terjadi di Amerika Serikat, membuat terjadinya peningkatan peranan agama dalam politik sehingga membuat semakin nyatanya peranan Faith Based Community. Dengan memahami kebutuhan negara akan pelayanan sosial, peranan agama atau gereja di Amerika Serikat bisa lebih ditoleransi. Oleh karena itu, Faith Based Community yang didorong oleh Presiden George Walker Bush dapat menjadi lebih nyata peranannya dalam peta perpolitikan di Amerika Serikat.

<hr><i>This undergraduate thesis describes that there is an increasing role of Faith Based Community in America. Fiscal crisis that had occurred in the United States, created the opportunity for an increased role of religion in politics to make the Role of Faith Based Community Organizations more real. By understanding the needs of the state social care services, the role of religion or church in the United States can be tolerated. Therefore, the Faith-Based Community are encouraged by President George Walker Bush becomes more pronounced in the political map in the United States.</i>
