Abstrak

Skripsi ini membahas mengenai peran kelompok rentan yang menjadi Satuan Tugas dalam kegiatan penanggulangan bencana dan pengurangan resiko bencana di Desa Gunung Geulis, Kabupaten Bogor. Penelitian ini meneliti proses pembentukan Satgas, peran kelompok rentan yang menjadi Satgas, dan faktor pendukung serta faktor penghambat kelompok rentan menjadi Satgas. Penelitian ini merupakan penelitian deskriptif dengan metode kualitatif.

Metode yang digunakan yaitu observasi, in-depth interview, dan studi literatur.

Hasil menunjukkan bahwa keterlibatan kelompok rentan sebagai Satgas sesuai dengan peraturan, Satgas kelompok rentan berperan aktif dalam penanggulangan bencana dan pengurangan resiko bencana, dan faktor pendukung keterlibatan kelompok rentan lebih banyak selama kebutuhan mereka diakomodasi dan tugas disesuaikan sesuai kapasitas.
