Abstrak

[**ABSTRAK**] Manusia sebagai makhluk sosial membutuhkan interaksi dengan sesama manusia lainnya

sebagai bagian dari kebutuhan hidup sehari-hari, sehingga bekerja dan berinteraksi dengan yang lain adalah sesuatu yang kita sebagai manusia tidak dapat hindari. Dalam hidup saya, saya telah menjadi bagian dari banyak kelompok baik itu kelompok formal maupun informal dengan tujuan dan fokus kelompok yang berbeda satu dengan lainnya. Untuk tugas ini saya memilih pengalaman saya ketika saya melakukan magang di Bursa Efek Indonesia, yang memberi saya pengalaman yang sangat penting dan contoh dunia nyata bagi saya .

Dalam makalah ini saya akan memperkenalkan kelompok dan struktur organisasi kelompok , bagaimana fungsi kelompok , bagaimana mengelola konflik dalam kelompok dan process penyelesaian , proses kepemimpinan , dan akhirnya hal-hal yang telah saya pelajari dari tugas ini.

ABSTRACT Human as a social being need an interaction with any other human being as a part of the daily

needs so working and interact with other is something that we as a human cannot avoid. In my life I have been a part of many groups in different aspect either formal or informal group with different purposes and focus. . For the purpose of this assessment I choose my experience when I did an internship in Indonesia stock exchange which gave me a very important experience and real world example for me.

In this paper I will introduce the group and the group organization structure, how the group function, managing the conflict in group, leadership process, and finally things that I have learned from this assignment.:Human as a social being need an interaction with any other human being as a part of the daily
