**ABSTRAK**  
Keberadaan perempuan sebagai sebuah representasi dalam sebuah film selalu menjadi isu menarik untuk dibicarakan. Banyak bentuk media hiburan, sebagai contohnya adalah TV seri, yang menawarkan potret perempuan melalui karakter atau kepribadiannya yang secara implisit atau eksplisit menggambarkan TV seri tersebut. Pada kebanyakan kasus lainnya, perempuan biasanya digambarkan sebagai karakter yang terpojok dan mencoba untuk menyetarakan dirinya dengan lingkungan atau laki-laki. Padahal, perempuan dalam media mengorbankan dirinya/digambarkan seperti itu karena ingin sama dengan laki-laki yang didukung oleh kepribadian serta perilakunya di media hiburan tersebut. Hal lainnya lagi, penggambaran perempuan juga dipengaruhi oleh lingkungan, tanggung jawab, dan perannya dalam media hiburan tersebut. Dengan mengidentifikasi sebuah karakter perempuan dalam TV seri, semoga makalah ini dapat menjawab semua pertanyaan tentang representasi perempuan dalam media hiburan, dalam hal ini TV seri.

**ABSTRACT**  
Women representation in movie always become an intriguing issue to discuss. Many forms of entertainment media, American TV series for example, offer various depiction of women through their character or personality in representing that particular series. In most cases, women usually depicted as an afflicted character that seemingly try to compete with men. However, that is not usually the case. Women become an afflicted character because they actually want to reach equality and justice through their personality changes. In addition to that, they also affected by society, their responsibilities, and roles in that particular TV series. By identifying a woman character and her changes in a TV series, this research paper hopefully can answer the questions about women representation in TV series.; Women representation in movie always become an intriguing issue to discuss.
