ABSTRACT

The Neighbors(Linjumen邻居们) is one of short stories written in 1935 by the Chinese author, Lao She. Although the story remains to be the simple one but the differences among the characters along with its plot make the story become interesting. The story tells about the neighbourhood of two families with different character and thought. This paper describes about how Lao She shows the differences between 2 families through the characters. This paper also discusses about how Lao She plays up the plot, so that the endings of this story can be seen. , The Neighbors(Linjumen邻居们) is one of short stories written in 1935 by the Chinese author, Lao She.
