ABSTRACT

This paper describes and identifies various terms of address for parents, which are commonly used in Indonesia and in the Netherlands, based on 4 internet forums (Femaledaily, Rahasiabunda, Gooievraag dan Zegmaaryes). Furthermore, using the qualitative descriptive method this paper also discusses the factors that might be the cause of the diversity of the terms which address parents in the two countries. The diversity of the terms of address is viewed from the nuances. This paper gives an updated list of terms of address for parents in Indonesia such as bapak and ibu, ayah and bunda, papa and mama, papi and mami, abah and emak, babe and nyak, pipi and mimi and in the Netherlands terms such as vader and moeder, papa and mama, pappa and mamma, pap and mam, pappie and ma, moeke and their first names. The historical and cultural background plays an important role in influencing the choice of using the terms of address for parents. The two dominant nuances attached to the terms of address for parents are modern and neutral., This paper describes and identifies various terms of address for parents, which are commonly used in Indonesia and in the Netherlands, based on 4 internet forums (Femaledaily, Rahasiabunda, Gooievraag dan Zegmaaryes).
