[ABSTRAK

Presse féminine di Prancis berkembang pada masa Republik Ketiga. Melalui data-data yang dikumpulkan dari buku, artikel jurnal, serta artikel daring terpercaya, tulisan ini mengetengahkan sejarah dan perkembangannya serta kaitannya dengan kondisi masyarakat Prancis pada masa tersebut. Terdapat berbagai macam bentuk perubahan kondisi politik, sosial, dan ekonomi yang terjadi di bawah pemerintahan ini selama kurun waktu tahun 1870 hingga 1914. Perubahan-perubahan itu memiliki dampak besar terhadap perkembangan presse féminine yang mengarah pada kemajuan baik dari segi kuantitas maupun kualitas. Selain itu, terlihat pula bahwa presse féminine pada masa Republik Ketiga juga merupakan manifestasi dari kondisi sosial dan budaya perempuan Prancis pada masa itu yang terus berevolusi ke arah modernitas.

ABSTRACT

Presse féminine in France was continuously evolving during the Third Republic. Through the data collected from books, journal and online articles of high reliability, this article explores the history and development of the magazine and its relation to the condition of French society at that time. There were various forms of political, social, and economic changes under the 1870 to 1914 administration span. It is concluded that those changes had a big progressive impact on the development of presse féminine in terms of quantity and quality. In addition, it also appears that presse féminine under Third Republic is a manifestation of the social and cultural conditions of the French women in that epoch that continued to evolve, making its way to modernity., Presse féminine in France was continuously evolving during the Third Republic.
