[ABSTRAK

Peran Gerakan Turki Muda sebagai peletak dasar pembentukan nasionalisme Turki. Metode yang digunakan adalah menggunakan metode kualitatif dengan pendekatan pustaka, yaitu keseluruhan data yang diperoleh penulis dari studi pustaka berupa buku, artikel ilmiah, dan jurnal terkait.

Benih‐benih Nasionalisme yang menyebar ke tanah Arab menyebabkan munculnya nasionalisme pada bangsa

Arab. Perasaan nasionalisme ini pun dirasakan juga oleh bangsa Turki yang ingin menghidupkan kembali rasa kebanggaan atas kejayaan Imperium Utsmani dahulu yang pernah berkuasa di berbagai kawasan. Terlebih setelah kekalahan telak di Wina memunculkan gerakan‐gerakan pembaharuan, khususnya Turki Muda yang lebih berorientasi ke Barat, yaitu Nasionalisme, Konstitusional dan Sekularis. Hasil penelitian menunjukkan bahwa gerakan pembaharuan Turki Muda memiliki peran sangat besar dalam memunculkan dan menanamkan ide‐ide nasionalisme bangsa Turki.
