## Abstrak

[<b>ABSTRAK</b><br>

DNPI merupakan lembaga pemerintah khusus untuk penanganan pencegahan perubahan iklim di Indonesia. Mempunyai fungsi utama untuk memperkuat posisi Indonesia di mata dunia Internasional dalam hal penanganan iklim. Selanjutnya, Divisi Komunikasi dan Informasi DNPI mempunyai tugas untuk memberikan edukasi mengenai iklim kepada masyarakat melalui beberapa program yang telah dijalankan.

Kondisi saat ini masyarakat Indonesia sebesar 82% telah sadar akan perubahan iklim yang terjadi di Indonesia. Untuk menunjang tujuannya dan mengajak masyarakat mengetahui langkah-langkah penyelamatan iklim, Div. Komunikasi dan Informasi DNPI memerlukan sebuah program komunikasi terintegrasikan untuk membantu masyarakat mengerti tentang tindakan penyelamatan iklim dalam kehidupan sehari-hari.
