

Institutional partnerships in multi-hazard early warning systems : a compilation of seven national good practices and guiding principles

Golnaraghi, Maryam, editor

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20405445&lokasi=lokal>

Abstrak

This book documents seven examples of early warning systems for hydrometeorological and other hazards that have proven effective in reducing losses due to these hazards. The cases studied encompass a variety of climatic regimes and stages of economic development, ranging across the industrialized countries of Germany, France, Japan and the United States, to Bangladesh, the island nation of Cuba and the mega-city of Shanghai.
