

Anti-communist third world : Carlos Romulo and the other Bandung

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20406675&lokasi=lokal>

Abstrak

This article revisits the Bandung Conference and Third Worldism through an intellectual history of the Filipino diplomat and intellectual Carlos Romulo. By examining Romulo's work during, before, and after Bandung, it argues that Third Worldism must be understood in its original sense as a negation not only to Western imperialism but also of Soviet communism.
