

Politik hukum dalam perda berbasis syari'ah

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20407028&lokasi=lokal>

Abstrak

In the early of District Regulation Draft Reform merely determines four absolute matters which become the Central Government concerns namely foreign relation, moneter and national fiscal, national and security defend and judicature. However before the draft has been ratified by the parliament, Indonesian Moslem Scholar Assembly with Department of Religion propose religious matter becomes the matter as the central government. Because, if it is decentralized will create a worry that will raise district regulation based on the majority religion of each district.
