

Yurisdiksi Universal: Praktik, Prinsip, dan Realitas

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20407042&lokasi=lokal>

Abstrak

Application of Universal jurisdiction basically is an effort to avoid impunity. nevertheless in the reality its application often has been connected with state sovereignty. Recently we heard a strong reaction from Indonesia. Government about the indictment of General Wiranto and seven other military officers and also abilio Soares by special panel for serious crime unit in Dili Court, Timor Leste. This article explains several important aspects of human rights cases in order to be applicable with universal jurisdiction, such as: the type of crimes and the requirements based on international law
