Current state of Malaysian Book Publishing

Deskripsi Lengkap: https://lib.ui.ac.id/detail?id=20408163&lokasi=lokal

Abstrak

Developing countries dpend on the knowledge and information produced by industrialised cuntries just as they depend on same countries for the supply of books. Thus, the Malaysia book market is immmersed with imported publications especially from Britain and the Unites States. But s multi-racial country comprising Malay, Chinese and Indian population, the book supply is also coming from Hong Kong, Taiwan, India, Indonesian and the mIddle East.
