

Mamangan Minangkabau : sebuah kajian semiotik

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20409690&lokasi=lokal>

Abstrak

This article exposes meanings, functions, and contexts of Minangkabau mamangan. Nature that inspired the forms and social relationships on this mamangan are also described. I/Wth antropolinguistics approach, this analysis aims culture and language systems mapping to see the social system relevancies. There are anomalous and deviations on the mamangan. Several anomalous mamangan are formed from physical phenomenon and the deviations can be seen on diversion of form and meaning. So, mamangan junctions and meanings can be explained from the context.
