

Transgovernance: advancing sustainability governance

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20410636&lokasi=lokal>

Abstrak

This volume presents contributions from various angles: international relations, governance and metagovernance theory, (environmental) economics and innovation science. It offers challenging insights regarding institutions and transformation processes, and on the paradigms behind contemporary sustainability governance. This book gives the sustainability governance debate a new context. It transforms classical questions into new options for societal decision making and identifies starting points and strategies towards effective governance of transitions to sustainability.;
