

Handbook of children with special health care needs

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20410691&lokasi=lokal>

Abstrak

In response, the Handbook of children with special health care needs assembles research, applied, and policy perspectives reflecting the range of children's problems requiring special services. Widely studied conditions (e.g., communication disorders, substance abuse) and those receiving lesser attention (e.g., tuberculosis) are covered, as are emerging ideas such as the "medical home" concept of continuity of care.
