Abstrak

Skripsi ini akan membahas mengenai salah satu program yang dibentuk PSSI yaitu Program Primavera. Program Primavera merupakan program yang dibentuk PSSI pada periode 1993-1995 untuk mengatasi kemerosotan prestasi tim nasional Indonesia. Program Primavera merupakan program pembinaan dengan mengirimkan satu tim yang berisi pemain sepakbola usia muda untuk berlatih di Italia. Program Primavera diharapkan mampu mengangkat prestasi persepakbolaan nasional telah lama mengalami kemunduran.This thesis will discuss about Primavera Program which was formed by PSSI. Primavera Program is a program established by PSSI during the period 1993-1995 to overcome deterioration of the achievements of the Indonesian national team. Primavera Program is a development program by sending a team which contained young Football players to practice and compete in Italy. That program was expected to lift the achievement of the Indonesian national football that long been in decline.
