Abstrak

[Penelitian ini membahas mengenai metafora di dalam artikel berita politik krisis Krimea yang terdapat pada media online berbahasa Rusia. Sumber data yang dianalisis adalah artikel-artikel yang dimuat dari tanggal 6 Februari 2014 hingga 20 Juni 2014 pada media online pravda.ru dan ria.ru. Tujuan dari penelitian ini adalah untuk merinci metafora dalam artikel-artikel berita politik mengenai krisis Krimea yang terdapat pada media online berbahasa Rusia berdasarkan teori metafora menurut Lakoff dan Johnsen. Berdasarkan analisis yang telah dilakukan, penulis menemukan fakta bahwa satu data metafora yang berupa kata atau rangkaian kata dapat tergolong ke dalam beberapa jenis metafora menurut Lakoff dan Johnsen.;This thesis is focused to metaphors in Russian online political articles related to The Crimea crisis. The articles that are analyzed were published from 6th February 2014 until 20th June 2014 from pravda.ru and ria.ru. The aim of this thesis is to elaborate metaphors in political articles according to the metaphorical theory by Lakoff and Johnsen. Based on the analysis, a fact is found that one word or phrase metaphor can be classified in to more than a type of metaphor according to the metaphorical theory Lakoff and Johnsen.;This thesis is focused to metaphors in Russian online political articles related to The Crimea crisis.
