Abstrak

[Skripsi ini membahas peran dari program Systematic Voters Education and Electoral Participation (SVEEP) dalam peningkatan partisipasi pemilih perempuan di India periode tahun 2009-2014. Penelitian ini menggunakan metode kualitatif. Penelitian ini menggunakan teori partisipasi politik serta konsep pemberdayaan perempuan. Program SVEEP yang dibentuk dan diaplikasikan pada tahun 2009, baik di tingkat lokal maupun nasional berkontribusi dalam peningkatan partisipasi pemilih perempuan yang selama ini terhalang oleh hambatan kultural dan struktural. Temuan dari penelitian ini adalah program SVEEP yang dikeluarkan oleh Election Commission of India serta pendidikan politik yang dilakukan melalui Anganwadi Workers (AWW) menjadikan perempuan semakin berdaya dan memiliki kontrol atas suaranya.;This undergraduated thesis examines the role of Systematic Voters Education and Electoral Participation (SVEEP) program in increasing women voters participation in India 2009-2014. This study uses a qualitative method. This study uses the theory of political participation and the concept of women's empowerment. SVEEP program established and applied in 2009, both at national and local level provides a large increase in the participation of women voters who have been hindered by cultural and structural barriers. This study finds SVEEP program reselased by Election Commission of India and political education Anganwadi Workers (AWW) through political education makes women more empowered and have control over his voice., This undergraduated thesis examines the role of Systematic Voters Education and Electoral Participation (SVEEP) program in increasing women voters participation in India 2009-2014.
