[Skripsi ini membahas perkembangan interpretasi dari masing-masing tokoh di Tiongkok terhadap Zhongguomeng . Dengan pendekatan historis, penelitian dimulai dengan merekonstruksi interpretasi Zhongguomeng dari Konfusius, Sun Yat-sen, Mao Zedong, Deng Xiaoping, Jiang Zemin, Hu Jintao dan Xi Jinping. Hasil penelitian menunjukkan walaupun menghadapi kondisi jaman yang berbeda, mimpi dari satu tokoh dengan tokoh lainnya memiliki hubungan yang tercermin dalam penggunaan jargon khusus dan dalam hal nilai-nilai yang terkandung di dalam mimpi tersebut. Zhongguomeng yang dipromosikan oleh Xi Jinping sejak November 2012 bukanlah hal yang baru, melainkan merupakan hasil formulasi khusus dari mimpi tokoh-tokoh sebelumnya untuk menghadapi tantangan jaman pada masa pemerintahannya.;This paper discusses the development of the interpretation of each important figure in China for Zhongguomeng. With a historical approach, the study begins by reconstructing the Zhongguomeng interpretation of Confucius, Sun Yat-sen, Mao Zedong, Deng Xiaoping, Jiang Zemin, Hu Jintao and Xi Jinping. Results showed despite facing a different era and its condition, the dream of one figure with another has a relationship that is reflected in the use of specialized jargon and in terms of the values ​​contained in their dream. Zhongguomeng promoted by Xi Jinping since November 2012 is not new, but rather is the result of a special formulation of previous figures dream to face the challenges during his reign., This paper discusses the development of the interpretation of each important figure in China for Zhongguomeng.
