Abstrak

Skripsi ini membahas tentang multiple victimization perempuan korban KDRT yang menjalani proses hukum (pidana dan perceraian). Penelitian dilakukan dengan melihat bagaimana viktimasasi terjadi di tiga ranah kehidupan perempuan, yaitu viktimasasi ranah domestik, ranah hukum, dan ranah sosial masyarakat (pasca keseluruhan proses hukum) dengan menggunakan teori feminis hukum yang menjelaskan bahwa gender berpengaruh terhadap ketidakadilan hukum yang dialami perempuan, dan feminis radikal yang menjelaskan bahwa opresi terhadap perempuan terjadi di hampir keseluruhan hidup perempuan. Dua orang perempuan korban KDRT yang menjalani proses hukum menjadi subjek penelitian yang pengalamannya digunakan untuk melihat bagaimana multiple victimization pada perempuan korban KDRT yang menjalani proses hukum adalah sebuah bentuk opresi terhadap perempuan.

This thesis studying about multiple victimization on women who become a victim on domestic violence who through on law process (criminal law and divorce). Research conducted by looking how victimization occurred in three domain of women life, domestic sphere, the legal sphere, and social aspect of the community (after the whole process of law). Using the feminist legal theories that explain about how gender affect the legal injustices experienced by women, and radical feminists where explain that the oppression of women occurs almost the entire life of women. Two women as a victim of domestic violence who undergo the legal process is the subject of research whose experiences are used to analyze this research. Critical approach is used to see how multiple victimization of women victim of domestic violence who through the legal process is a form of oppression of women.
