[ABSTRAK

Dalam kinerja pemerintahan saat ini menghadapi “tekanan” dari berbagai pihak untuk meningkatkan pelayanan publik dan meningkatkan partisipasi aktif dalam pemberian informasi bagi masyarakat serta dituntut lebih efektif. Hal itu menyebabkan e-Government atau pemerintahan berbasis elektronik semakin berperan penting bagi semua pengambil keputusan. Salah satunya keputusan dalam hal pengesahan badan hukum Yayasan. Tesis ini akan menganalisis keabsahan Surat Keputusan yang dikeluarkan Menteri Hukum dan Hak Asasi Manusia dan bagaimana tanggung jawab Notaris apabila terjadi kesalahan. Metode penelitian yang digunakan adalah yuridis normatif atau penelitian hukum kepustakaan. Hasil penelitian ialah bahwa agar tercapainya tujuan pelayanan publik yang cepat, aman, dan efisien maka dalam proses penerbitan Surat Keputusan terhadap pengesahan badan hukum tidak dilakukan pemeriksaan kesesuaian dokumen sehingga memberikan tanggung jawab sepenuhnya kepada Notaris sehingga menyebabkan keraguan pada keabsahan Surat Keputusan tersebut yang seharusnya menjadi tanggung jawab Menteri Hukum dan Hak Asasi Manusia dan pengamanan untuk menjaga keautentikan dalam Surat Keputusan tidak cukup hanya menggunakan sistem QR Code tetapi juga dengan tanda tangan digital dengan digital certificate.
