Abstrak

[Tesis ini mengkaji upaya liberalisasi jasa pariwisata dalam mode 4 dalam bentuk komitmen Indonesia yang tertuang dalam Schedule of Commitments dalam GATS dan AFAS. Jasa pariwisata termasuk dalam 12 sektor jasa yang diatur dalam GATS. Penulisan tesis ini menggunakan metode penelitian normatif. Secara normative diteliti aturan-aturan hukum yang terkait dengan jasa pariwisata, ketenagakerjaan, dan aturan-aturan yang terkait lainnya. Berdasarkan hasil penelitian, komitmen Indonesia dalam MRA dalam bidang jasa profesional pariwisata di ASEAN yang diikuti Indonesia menunjukkan adanya kesesuaian. Dalam implementasi peraturan nasional Indonesia terkait MRA, beberapa sekolah tinggi pariwisata telah menunjukkan komitmennya dalam memajukan sumber daya manusia dalam bidang kepariwisataan. Pembangunan SDM dan pemberian sertifikasi dapat meningkatkan kompetisi dalam kerja internasional apalagi dengan dekatnya era Masyarakat Ekonomi ASEAN tahun 2016 mendatang; This thesis reviews the means of mode 4 liberalization of services in a form of a Schedule of Commitments on GATS and MRA on AFAS. Tourism services is one of the 12 service sector maintained in GATS. This research uses normative methods to discuss about issues related. Legal rules, employment rules and rules relevant with tourism will be reviewed in this thesis. Based on the research done, Indonesia's commitment on MRA on Tourism Professionals in ASEAN showed

that Indonesia complied to the commitment issued. The implementation of the national rules related to MRA on Tourism Professional has done sufficiently by some vocational tourism schools in Indonesia in order to develop the quality of human resources in tourism industry. The development of the human resources and the issue of certification to prove the competency of these human resources would encourage the competition in the international markets, especially for this upcoming event, the ASEAN Economic Community on 2016., This thesis reviews the means of mode 4 liberalization of services in a form of a Schedule of Commitments on GATS and MRA on AFAS.
