[ABSTRAK

Penelitian ini membahas komunikasi yang terjadi dalam persidangan di Mahkamah Konstitusi Republik Indonesia (MKRI) sebagai ruang publik.

Penelitian kualitatif dilakukan melalui metode studi kasus dengan desain studi multikasus. Dari hasil observasi yang dilakukan dapat diungkapkan bahwa proses komunikasi persidangan MKRI memenuhi kategori ruang publik. Dalam proses persidangan memang terjadi adanya intimidasi dalam persidangan di antara para pihak maupun perlakuan tidak setara yang dilakukan oleh Hakim Konstitusi. Namun secara keseluruhan proses komunikasi dalam persidangan MKRI termasuk sebagai ruang publik.
