### Abstrak

[<b>ABSTRAK</b><br>

Tesis ini membahas tentang akses dan kontrol perempuan pada pengelolaan dana pinjaman SPP PNPM Mandiri Perdesaan. Penelitian ini menggunakan pendekatan kualitatif dengan jenis penelitian deskriptif. Hasil penelitian menunjukkan bahwa akses perempuan pada dana pinjaman ditentukan oleh keikutsertaan dengan kelompok, informasi yang diperoleh perempuan, kelengkapan administrasi dan ijin dari suami. Akses perempuan terhadap dana pinjaman mempengaruhi pada pengelolaan dana pinjaman SPP dan adanya keterlibatan suami dalam pengelolaan dipengaruhi dari sistem kebijakan yang diterapkan sebelum meminjam dana. Sedangkan kontrol perempuan pada dana pinjaman masih relatif rendah, meskipun adanya keterlibatan perempuan dalam pengelolaan dan pengeluaran, namun masih sangat terbatas.

<b>ABSTRACT</b><br>

The thesis discussed access and control of women on the management of the funds SPP loan at PNPM Mandiri Perdesaan. This study used a descriptive qualitative approach. The research result showed that access of women on loans were influenced by their participation on the group, information they obtained, administrative issues and permit from their husband. Women access on loans was influenced by the management of the SPP loan, the involvement of husbands in the loans management and the system of policies. While control of women on loans are still relatively low, there is women of participation in the management and expenditure although very it is limited, The thesis discussed access and control of women on the management of the funds SPP loan at PNPM Mandiri Perdesaan.
